

Remarks

The claims have been amended in view of the matters raised by the Examiner in the July 7, 2006 Office Action. In particular, claim 33 has been amended to have an appropriate preamble, claim 5 has been amended to be dependent upon claim 4, claims 17 through 20 have been amended to delete "the or", claims 17 and 27 have had English spellings changed to American spellings, and claim 33 has been amended as required.

It is believed that all is in order, and the application is now fully in condition for allowance, and such action is solicited.
